

## Standard 12V Socket

- ADR Approved for 42/04, 64/00
- IP66 Rated (Wiring Interface)
- Heavy Duty Metal Construction
- 30 Amps per Pole @ 12 Volts
- Saves Time in Future Replacements
- Water Proof Silicone Seal Included
- Only Interchangeable with Lucidity OMP Harnesses
- Accepts 6mm Cables (5.22mm<sup>2</sup>)
- Acceptable for use in Road Train

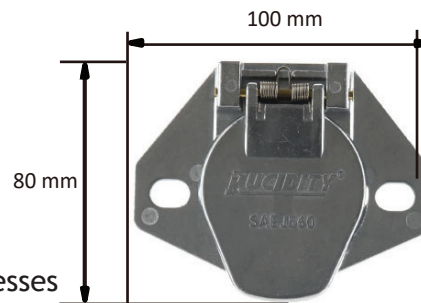

Part No.	
196408076222	OMP 7 Pin Metal Socket

## Heavy Duty 24V Socket

- ADR Approved for 42/04, 64/00 & SAEJ560
- IP66 Rated (Wiring Interface)
- Heavy Duty Metal Construction
- 30 Amps per Pole @ 24 Volts
- Saves Time in Future Replacements
- Water Proof Silicone Seal Included
- Only Interchangeable with Lucidity OMP Harnesses
- Accepts 6mm Cables (5.22mm<sup>2</sup>)
- Acceptable for use in Road Train

Part No.	
196408076221	Heavy Duty OMP 7 Pin Metal Socket
