Lucidity Australia

Lucidity Australia is a leading lighting and wiring manufacturer based in Melbourne, Victoria. We specialize in tailored engineering solutions for original equipment manufacturers and have serviced the Australian transport industry with our world-class products for more than two decades.

Our focus is on delivering the highest quality products and service to the Australian market. We have a passion for Australian Manufacturing that is why our wiring and harness solutions are designed & manufactured right here in Melbourne, Victoria.

Our complete product range comprises a variety of innovative LED Lights, Incandescent Lights, Reflex Reflectors, Mounting Parts and Electrical Accessories. As an ISO/IATF16949, ISO 14001, OHSAS 18001 and ISO 50001 certified manufacturer, each new product meets the highest quality standard and customer specific requirements of the industry, strictly tested by TUV Nord certified in house test laboratory prior to market release.

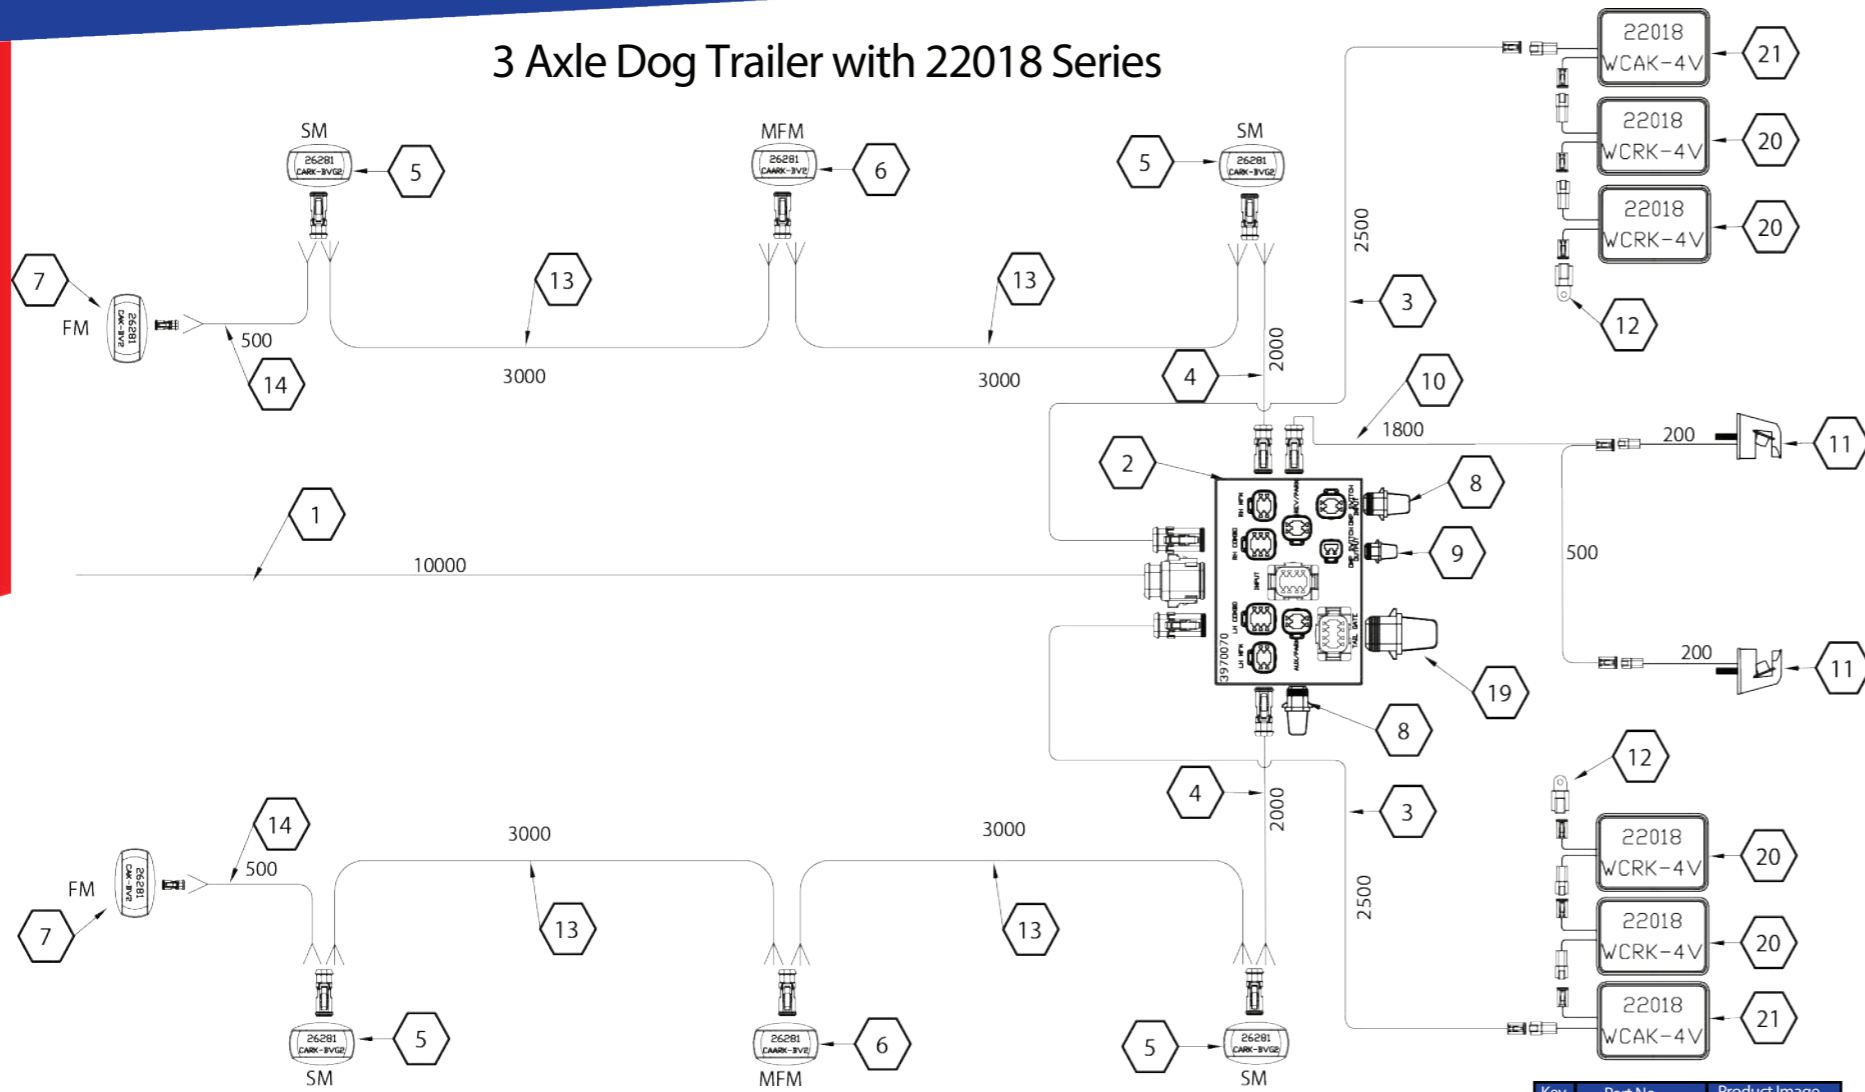

We build quality into all aspects of our business and our ultimate goal is to achieve and maintain absolute customer satisfaction to ensure truck drivers, fleet owners and manufacturers keep trucks off the service floor and on the road longer by dramatically cutting installation and replacement times, reducing replacement costs, improving safety, quality and efficiency. Innovation is the wellspring of our consecutive growth.

At Lucidity, innovations means not only new ideas but also putting these ideas into practice. Being a customer of Lucidity Australia, you will experience the opportunity to work with the well-trained, dedicated customer-oriented professionals and the highest level of service all the time.
